### About Symposium

International Symposium on entrepreneurship in the digital era is the first version of an International event organized by E-Cell in association with the Alumni association of BIT Sindri, Dhanbad. This 3 days symposium is being visioned to fuel a culture that values entrepreneurial spirit to build a start-up ecosystem. This symposium would bring together the academic community, industries, venture capitalists, new-age entrepreneurs and all those passionate about making India an economically powerful country. This symposium intends to bring together leading entrepreneurship thinkers, researchers, and practitioners from around the world for three days of presentations, dialogue and interaction. The presentation in this symposium is expected to provide guidance for future deliberation and promotion of entrepreneurship culture in the eastern part of the country.

### Themes and Highlights

- Academic Entrepreneurship
- Startup Entrepreneurship
- Women Entrepreneurship
- Innovative Industries
- Entrepreneurial Finance
- Angle Funding and Venture capital
- Studies of New Businesses
- Digital Evolution: Entrepreneurial risk and opportunities
- Experience Sharing: Learning from failure and successes
- Start-Up idea competition through poster presentation

## PATRON & ORGANIZING CHAIR

Prof. D.K. Singh, Director, BIT Sindri

## About SNS Incubation Centre

The SNS Incubation Centre (SNS IC) of BIT Sindri is the first of its kind as an innovation and entrepreneurship hub. The centre at the IT Building is dedicated to providing students and faculty with exposure to various work environments. It helps students gain experience of working in a highly evolving and dynamic start-up environment. It gives bright and innovative young minds a place to nurture their ideas and prototypes. The centre is equipped with state-of-the-art advanced laboratories to support high technology start-ups. It also helps to connect the incubatees to the right mentors, and thus helps in developing and scaling up their technology and products. The centre also supports businesses in identifying their market along with legal and intellectual property-related guidance.

The institute has been ranked between 6-25 in the band 'A' in the Atal Ranking of Institutions on Innovation Achievements (ARIIA) in the year 2020-21 and again in the performer group in the year 2021-22 under the Ministry of Education's Innovation Cell (MIC). The institute has achieved a maximum of a 4 star rating in the Institution's Innovation Council (IIC) under MIC in the category of government and government-aided colleges. SNS IC has more than ten incubates at present, assisted by some renowned mentors and other incubation support.

Assistant Professor, PIE

**Mr. Kashif H. Kazmi**

Assistant Professor, PIE

## About BIT Sindri

BIT Sindri was started as the College of Mechanical and Electrical Engineering in 1949. The institute grew and flourished rapidly during the early days under the dynamic leadership of Prof. D. L. Deshpande, the Director, who is regarded as the architect of the institute. The institute is controlled administratively by the Department of Higher & Technical Education, Govt. of Jharkhand. The main aim of the institute is to provide valuable human resources for industry and society through excellence in technical education and research for sustainable development. The institute offers B.Tech. courses in 10 disciplines of engineering, namely Mechanical, Electrical, Metallurgy, Production and Industrial, Chemical, Electronics & Communications, Civil, Mining, CSE, IT and 10 M.Tech. specializations. The institute has been ranked by NIRF and accredited by NAAC also. The institute possesses modern amenities, which include multimedia auditoriums, seminar rooms, and smart classrooms, etc. To meet recent industry demand, the institute has an E-library, well-equipped modern laboratories, a state-of-the-art Siemens lab, and a campus-wide network.
