ABOUT THE INSTITUTE

Founded in 1949, BIT Sindri is the oldest government engineering college in Jharkhand, India. Situated 28 km from Dhanbad railway station, the institute spans 450 acres and offers AICTE-approved undergraduate, postgraduate, and doctoral programs. These include B.Tech courses in eleven disciplines, twelve M.Tech specializations, and Doctorate programs. BIT Sindri boasts modern laboratories, multimedia auditoriums, seminar rooms, a state-of-the-art E-library, and a campus-wide network. The institute is also home to a Siemens Centre of Excellence, providing cutting-edge facilities. Separate buildings house each engineering department, complemented by accommodations for faculty and students, hostels for boys and girls, and clubs for extracurricular activities. BIT Sindri operates under the Department of Higher Technical Education, Government of Jharkhand, and is academically affiliated with Jharkhand University of Technology, Ranchi. Most undergraduate programs are accredited by the NBA.

PLATINUM JUBILEE CELEBRATION

BIT Sindri celebrates 75 years of excellence in 2024. This grand event will unite alumni, faculty, students, industry leaders, and distinguished guests to honor the institute's legacy. Expected to draw over 5000 delegates, the celebration includes an international seminar, inaugural sessions, and panel discussions addressing global and national issues. The event promises networking opportunities with leading technocrats, bureaucrats, academicians, and industrialists, commemorating seventy-five years of academic brilliance and technological innovation.

Objective of Seminar: HOPE – Through a Season of Celebration.
