Dear
Esteemed alumni,

Invitation to celebrate the Platinum Jubilee of BIT Sindri

Warm greetings from BIT Sindri.

It gives me immense pleasure to invite you, a distinguished alumnus of our institution, to celebrate a momentous milestone in the journey of BIT Sindri—the platinum jubilee. As we mark 75 glorious years of academic excellence, innovation, and societal contribution, we look forward to commemorating this occasion with our alumni who have been integral to BIT Sindri's legacy and success. The platinum jubilee celebrations will be held from **Nov-15-17, 2024**, at the BIT Sindri campus.

Over three days, we will honor the past, celebrate the present, and envision the future of BIT Sindri through a series of events. The celebration will feature technical exhibitions, academic sessions, cultural programs, seminars, workshops, and special discussions, reflecting the growth and achievements of BIT Sindri and its community. These events will offer a unique platform for alumni, students, faculty, and eminent guests from India and abroad to reconnect, exchange ideas, and strengthen bonds that define our beloved institution.

We are honored to invite you as a cherished part of our BIT Sindri family to join us for this remarkable occasion. Your presence will not only enhance the event but also inspire our current students and young alumni, showcasing the legacy of excellence you have helped establish.

We eagerly await the opportunity to celebrate this milestone with you and relive fond memories, rekindle old friendships, and look forward to a bright future together.

Warm regards,

Prof. (Dr.) Pankaj Rai,
Director, BIT Sindri
